OUR MISSION

To improve the decision-making skills, ability, and administrative competence of emerging and practicing managers in business regimes.

Assist organizations in solving their management problems by providing consultancy services.

OUR VISION

URICM aims to become a center for management excellence in agribusiness through organization of **Management Programs, Training, Research & Consultancy, Seminars and Workshops.**

OUR PLACEMENT

To provide competent human resources who are well-versed in industry traits, have a groomed personality, and are prepared for campus recruitment.

Students uphold strong professional etiquette and discipline, and when extended with the best opportunities, they will definitely succeed in their careers and prove themselves. We aim to seek 100% placements with competitive financial packages.

ABOUT GANDHINAGAR

Gandhinagar, the capital of Gujarat, is one of India's best-planned cities, renowned for its well-structured infrastructure, extensive green spaces, clean surroundings, and vibrant urban environment. Strategically located near Ahmedabad, the city has evolved into a prominent centre for governance, education, business, innovation, and investment. The city is home to several prestigious educational institutions, government establishments, corporate organisations, and emerging business hubs.

Gandhinagar also hosts several prominent national and international events, including the Vibrant Gujarat Global Summit, strengthening its position as a destination for global investment, collaboration, and business opportunities.

Gujarat International Finance Tec-City (GIFT City), located in Gandhinagar, is India's emerging global financial and technology hub. Designed with world-class infrastructure and a future-ready ecosystem, GIFT City brings together financial services, technology, and innovation.

Notable attractions in and around Gandhinagar include Akshardham Temple, Adalaj Stepwell, Mahatma Mandir, Dandi Kutir, Gujarat Science City, Sabarmati Ashram, and other cultural and heritage destinations. Gandhinagar represents a distinctive blend of green urban development, cultural heritage, modern infrastructure, and economic opportunity—making it an ideal destination for education, innovation, industry, and sustainable growth.

ABOUT THE INSTITUTE

Udaybhansinhji Regional Institute of Cooperative Management (URICM), Gandhinagar was established in 1956 and is administrated by National Council of Cooperative Training (NCCT) and funded by the Ministry of Cooperation Govt. of India, URICM is named after Udaybhansinhji, the Prince of Porbandar who was a leader of the cooperative movement. He was also the founder Chairman of Indian Farmers Fertilizer Cooperative Organization (IFFCO), which has emerged as the world's largest fertilizer company.

With the focus on the development of managerial skills in the undergraduate curriculum, the agriculture and other graduates find it difficult to function effectively as managers in Agribusiness field, which have emerged as their most important employers. In response, URICM launched the two-year Post-Graduate Diploma in Agribusiness Management. The program commenced in 2008. The PGDM-ABM is a full-time residential program that evolved and expanded beyond agriculture iinto allied area such as commodities, agri-input, agri-finance, agriculture retailing and rural development. Strong connection with leading agriculture industries leads to one of the best cooperative management institutes in India.

Admission procedure of PGDM-ABM requires appearing for one of the National-level examinations like CAT/MAT/CMAT/XAT/ATMA followed by group discussion & personal interview. The program comprises two segments, viz. classroom lectures and practical exposure through summer internship, live projects, seminars, observation studies, study tour, and project work. This unremitting assessment enables the students to implement corrective measures at the right time and meet the standard performance prescribed by PGDM committee.
The program is designed with a classroom teaching component, interesting case method pedagogy. Besides, the institute provides soft skills training, computer training for better performance in the practical.

MESSAGE FROM
THE CHAIRMAN

Shri B. K. Joshi IAS

Dear Recruiters,

It is my immense pleasure to highlight the exceptional talent pool we nurture at this prestigious institute. As the Chairman of the Management Committee, by virtue of being the Registrar of Cooperative Societies, I take pride in presenting the efforts we make to bridge the gap between qualified professionals and the ever-growing global Agro Market.

Key Highlights:

- Industry-Relevant Curriculum: Designed with expert consultation, ensuring practical learning and alignment with industry needs.
- Experiential Learning: Hands-on exposure through projects, internships, and collaborations with industry leaders.
- Holistic Development: Equal emphasis on technical expertise, communication, leadership, and problem-solving skills.
- Innovation & Diversity: A culture that encourages entrepreneurship, creativity, and a vibrant, multicultural student environment.

We invite you to partner with us in your recruitment endeavors, as our Placement Cell is fully prepared to assist you in identifying the right candidates for your organization. By choosing our students, you are not just hiring employees—you are investing in future industry leaders. We look forward to a fruitful collaboration that benefits both your esteemed organization and our promising students.

Shri B. K. Joshi, IAS
Registrar of Cooperative Societies
Chairman, URICM

MESSAGE FROM

THE DIRECTOR'S

Ms. Neelu Pandey

I extend a warm welcome to you as you explore the potential of our PGDM (Agri-Business Management) program. At URICM we are committed to nurturing the next generation of agri-business leaders, equipped with the knowledge, skills, and passion to drive sustainable growth in the agricultural sector.

Our PGDM program is designed to provide students with a comprehensive understanding of the complex dynamics of the agri-business industry. Through a rigorous curriculum that blends theoretical concepts with practical application, we strive to equip our students with the tools they need to excel in a rapidly evolving landscape.

Our students are not only academically proficient but also possess a deep-rooted passion for agriculture. They are driven to make a positive impact on the industry and are eager to contribute to the development of sustainable and resilient Agri-value chains.

We invite you to explore our Recruiter's Guide to learn more about our program, our students' profiles, and the opportunities for collaboration. We believe that our graduates have the potential to make a significant contribution to your organization's success.

Thank you for your interest in our PGDM ABM program. We look forward to the opportunity to connect with you and discuss how we can partner to shape the future of agri-business.

Good Luck!

With warm regards,

Ms. Neelu Pandey

VAHAK

A CONNECTION BETWEEN CAMPUS & CORPORATE

VAHAK is one of the flagship initiatives of Udaybhansinhji Regional Institute of Cooperative Management (URICM), Gandhinagar, designed to strengthen industry-academia collaboration. It provides students with a platform to interact with business leaders, industry experts, policymakers, entrepreneurs, HR professionals, and agribusiness professionals from across India.

Through keynote sessions, panel discussions, and expert interactions, VAHAK offers valuable insights into contemporary business practices, emerging industry trends, leadership, innovation, digital transformation, sustainability, and agribusiness. These engagements help students connect academic learning with real-world professional experiences.

VAHAK also supports students' career development by creating opportunities for networking, internships, placements, and professional learning. The initiative reflects URICM's commitment to developing future-ready management professionals with strong communication, critical thinking, adaptability, integrity, and leadership skills.

WHY RECRUIT

Divergence with Vibrancy

At URICM, we nurture talent that goes beyond conventional boundaries. Our core strength lies in developing students with strong analytical, critical-thinking, and problem-solving abilities. Regular debates, group discussions, academic forums, and a 360-degree approach to diverse issues enable students to develop clarity, confidence, and a broader perspective.

Frequent guest lectures by industry leaders and domain experts enrich students' understanding of contemporary socio-economic and agricultural developments.

Our diverse student community, representing different states across India, brings together a rich blend of cultures, perspectives, and traditions. This multicultural environment fosters adaptability, inclusiveness, collaboration, and interpersonal skills—qualities highly valued in today's dynamic workplace. Celebrations of various cultural festivals further strengthen interpersonal relationships and nurture a spirit of harmony, teamwork, and mutual respect.

With a strong focus on holistic development, URICM prepares students to become industry-ready professionals who can adapt to changing business environments, work effectively in diverse teams, and contribute meaningfully to organizational growth.

Recognized for its excellence, URICM was ranked the second-best Regional Institute of NCCT at the 48th Directors' Conference of RICMs/ICMs, held in Goa in August 2017, reflecting its commitment to quality education and professional development.

AT URICM ?

Excellence • Distinction • Industry Relevance

URICM combines academic rigour with practical exposure to prepare students for careers in agriculture, cooperatives, rural, and allied business sectors.

Learning Beyond the Classroom:
Case studies, field visits, live projects, internships, industry interactions, and experiential learning help students apply concepts to real-world challenges and develop analytical skills.

Industry–Academia Connect:
Interactions with industry leaders, experts, practitioners, and academicians provide insights into current practices, market trends, and emerging opportunities.

Experienced Faculty & Mentorship:
Experienced faculty offer academic and practical guidance, along with continuous mentoring to support students' professional growth and career aspirations.

A Culture of Integrity & Excellence:
URICM promotes ethics, discipline, responsibility, teamwork, and continuous learning, helping students become capable and responsible leaders.

SUMMER INTERNSHIP

Crystal Crop Protection Limited

PROJECT TITLE

"A STUDY ON FARMER ENGAGEMENT, PROMOTIONAL CAMPAIGNS AND SALES ACTIVITIES FOR PEARL MILLET SEED MARKETING IN KARAULI, RAJASTHAN" .

INTERNSHIP EXPERIENCE

My summer internship with Crystal Crop Protection Limited was a truly transformative experience, providing me with valuable insights into farmer engagement and market development activities in the agri-input sector. Working across the Karauli district of Rajasthan, I gained a deeper understanding of farmer buying behavior through direct interactions and field-level exposure. I was actively involved in promotional campaigns, farmer meetings, and data collection for pearl millet seed marketing. This hands-on experience not only strengthened my practical knowledge but also enhanced my understanding of real market dynamics.

SUMMER INTERNSHIP
OVERVIEW

Bridging Academic Learning with Industry Experience

The Summer Internship Programme is a key component of the PGDM-ABM curriculum at URICM, designed to provide students with meaningful exposure to the professional world.

Following the completion of the first year, students undertake an intensive two-month internship with reputed organisations across diverse sectors. This immersive experience provides an opportunity to understand organisational practices, engage with industry professionals, analyse business challenges, and contribute to live projects.

For the 2025–27 batch, 34 students successfully secured internships across 18 reputed organisations, gaining exposure to diverse functional areas including finance, retail, agribusiness, sales, marketing, warehouse and commodities and input management. Internship opportunities were offered by leading organisations such as Crystal Crop Protection, Corteva Agriscience, Limagrain India Pvt. Ltd., Shriram Bioseed Genetics, District Cooperative Central Bank, Parda Food, VNR Seeds, Krishika Advisory Services, Bandhan Agritech Pvt. Ltd. , Go Green Warehouses Pvt. Ltd., Feedsco Global Pvt. Ltd., Gokul Snacks, Bn Group, Hyfield Organics, PRESPL, Hortica Foods, Indofil Industries Ltd, Green Stone Seeds Pvt. Ltd.

Through these internships, students gained first-hand insights into business operations, market dynamics, customer engagement, industry practices, and organisational decision-making. The Summer Internship Programme at URICM therefore serves as an important bridge between academic learning and professional excellence, preparing students to enter the industry with greater competence, confidence, and clarity.

OFFICIAL INVITATION TO RECRUITERS

Dear Recruiter,

Greetings from URICM!

Udaybhansinhji Regional Institute of Cooperative Management (URICM), Gandhinagar, is a premier management institute offering the AICTE-approved Post Graduate Diploma in Management (Agri-Business Management). The institute functions under the National Council for Cooperative Training (NCCT), New Delhi, and is promoted by the Ministry of Cooperation, Government of India.
The institute provides students with opportunities for industry interactions, field visits, experiential learning, guest lectures, case studies, and practical assignments, enabling them to connect classroom concepts with industry practices. Our students come from diverse academic and professional backgrounds and are prepared to contribute effectively across various functions of the agri-business and allied sectors.

We are pleased to invite your esteemed organization to participate in the URICM Placement Drive 2026–27. We believe that our students can bring fresh perspectives, professional competence, and enthusiasm to your organization.

We look forward to welcoming your esteemed organization to our campus and establishing a long-term, mutually beneficial relationship.
We hope you will be a part of our students' success!

Thank you for your valuable consideration.

Yours sincerely,
Placement Committee
